

DIRECTIONS TO GREEN LAB

From the Owens street garage to the NCRU at Sandler Neurosciences building:

To get to the NCRU follow the **green** line to Sandler Hall (675 Nelson Rising Lane). Walk through the Rutter Center and exit left. Turn right at Gene Friend Way and the Sandler Neurosciences building will be to your left. The green Lab is located on the first floor in the NCRU, which is to the left of the security desk as you enter the building.

DIRECTIONS TO GREEN LAB

From Owens Street Garage to 1500 Owens Street Clinic Building:

If you are going to the clinic building located at 1500 Owens St please follow the light [blue](#) line. Exit the parking structure and walk towards Owens Street. You will see the Gladstone Institute across the street. Walk right at Owens and cross the street at the stop sign. Walk to the right until you get to 1500 Owens St. (also known as the Orthopedic Institute). The neurology clinic is located on the 3rd floor in suite 320.
